Re: U.S. Patent and Trademark Deposit Account
13-0014 for Maginot, Addison & Moore

Dear Sir:

After reviewing our records for our Deposit Account 13-0014, we believe that the debit of \$395.00 on October 13, 1998 was in error. The debit references patent application serial No. 09/166,625 (Docket No. 1020-0501) as the reason for the debit. As evidenced by the enclosed information Verification of Small Entity Status was provided at the time of the filing of this application. On October 5, 1998 the patent application was submitted with unexecuted Verified Statements of Small Entity Status. Copies of the transmittal and the returned postcard are enclosed to show evidence of receipt by the U.S. Patent and Trademark Office. On November 18, 1998 executed Verified Statements were submitted in response to the Notice to File Missing Parts.

Therefore, we are requesting the reimbursement of the \$395.00 debit. We are also requesting the reimbursement of the \$25.00 fee which was incurred due to the fact that the account balance fell below the minimum which is required because of the previous debit.

If you have any questions or require any further information in regards to this matter, please feel free to contact me.

Very truly yours,

MAGINOT, ADDISON & MOORE
